RESPONSE UNDER 37 C.F.R. § 1.111

Commissioner for Patents

Sir:

Responsive to the second non-final Office Action of June 30, 2005, the period for response extending until September 30, 2005, reconsideration of this action and allowance of all the claims of the present application are respectfully requested and are now believed appropriate in view of the following amendment and remarks.

Inasmuch as the Office Action sets a period for response extending until September 30, 2005, Applicants response is being timely filed and no fee is believed necessary. However, should any extension of time be needed the same is hereby requested and the Commissioner is authorized to charge any

necessary fees to preserve the pendency of this application to Deposit Account No. 19-0089.

Applicants note that the Office Action Summary which accompanied the Office Action of June 30, 2005 indicated that the Office Action was **non-final**. Further, a checking of the PAIR system on August 30, 2005 indicated that the Office Action was denoted and mailed out as a **non-final** Office action. Therefore, this is a response under 37 C.F.R. § 1.111 and treating the June 30, 2005 Office Action as a final rejection would be improper.

Amendments to The Claims are reflected in the Listing of the Claims which begins on page 3 of this paper.

Remarks begin on page 8 of this paper.
